**OFFICE OF LEGISLATIVE COUNSEL**

**Thursday - 4 October 1963**

25X1 1. [ ] [ ] OGI, called concerning  
a request from the Department of Defense for Agency concurrence  
25X1 in a statement having to do with missiles in Cuba. Subsequently,  
[ ] of OSI and [ ] of OGI, discussed the matter  
with Mr. Houston. It appeared that the Department of Defense wanted  
to clear a statement which was to be given to William Bundy, Deputy  
Assistant Secretary of Defense for International Security Affairs, to be  
used in a letter to an assistant to Representative A. Paul Kitchin.  
Mr. Houston discussed the matter with Mr. Bundy. It later developed  
that the matter was actually a fait d'accompli and that Mr. Bundy had  
already briefed Mr. Kitchin on this subject. (As a member of the House  
Committee on Armed Services, Kitchin was present at the time General  
Carter briefed the combined Armed Services and Foreign Affairs  
Committees.)

25X1 2. [ ] The Director, accompanied by John S. Warner,  
met with Senator Richard B. Russell for approximately half an hour.  
See Memorandum for the Record.

25X1 3. [ ] The Director, accompanied by John S. Warner,  
met with Representative Clarence Cannon for approximately half an  
hour. See Memorandum for the Record.
